Detailed protocol

Dear Dr. Reinoso-Reyes,

Thank you very much for being interested in working with CHGE!

To join the consortium, we need to first establish DTA/MTA, and then we can discuss the multiple options to process and ship patient samples, as well as collecting patients' clinical information. The protocol will be tailored to each member of the consortium.

Please contact me by qzhang02@rockefeller.edu. We can discuss by email or zoom.

Warm regards,

Qian
